ZIMBABWEAN

## ABOUT US

Lamasat is a family business, and proudly Zimbabwean local manufacturer. We are committed to quality, innovation, and excellence in serving our community and nation.

## WHAT WE DO

We manufacture LLDPE Water Tanks, HDPE Poly Pipes, and PVC Borehole Casings. We also supply Pumps, Fittings, and Backup Power options.

## WHY US?

Choose Lamasat for high-quality, locally manufactured products, reliable supply, and exceptional service. Since 2009, our family-owned business has prioritised innovation, durability, and tailored solutions for your water and power needs.
