

LAMASAT

**WATER
TANKS**

2026

Proudly Zimbabwean LLDPE Water Tanks
Manufactured in Zimbabwe since 2009.
Sold with a 15-year warranty.

3-Layer Design with UV-resistant Outer Layer and Double Black Inner Lining to stop algae growth, and sun-light penetration.

Food-grade Virgin Raw Material that prevents harmful chemicals and preserves water quality.

Seamless Design with no joints and weak points for superior structure.

Reinforced Base Thickness that provides strength to withstand the pressure of stored water.

Heavy-duty Base that enhances stability and improves overall strength.

Screw-on Lid with strong threading to keep the lid in place during overflow or transport.

High-quality Outlet compatible with a wide range of accessories, making installation quick and easy.

UV-stable Pigment that ensures long-lasting colour without fading.
